Flavours of real cashew

We Prasanthi

the cashew people since 1983

The Story of taste and trust

At Prasanthi we do not just sell cashews, we write stories of customer experiences on taste and trust! It begins with hand-picking premium quality raw cashew nuts for treating and processing. State-of-the-art quality assurance processes at every stage ensure that only quality kernels pass processing. Our world-class packaging systems safeguard the kernels until a new story of taste and trust is written.

The Origin

In 1983, B. Mohana Chandran Nair (BMC Nair), a pragmatic business visionary, founded Prasanthi as a small export oriented unit in the Cashew City of Kollam. Prasanthi evolved with time and now has six sister concerns. The group has a total turnover of \$84 million, thanks to a massive client base that is built on taste and trust.

The Edge

We offer premium quality drum roasted cashews at the most competitive price in the market. Our quality control measures which are on par with international standards, gives us a distinct edge over others. Timely delivery, active shipment tracking and attractive product packaging are other proven advantages with us.

The Recognition

Prasanthi is a Government of India accredited cashew exporter, which again speaks for the product and service quality that it exports to over 100 countries around the world.

The Vision

To transform ourselves into multi-sphere organization grounded on ethical business practices while committing to the varied demands and satisfaction of clientele.

The Mission

Our mission is to be the industry leader by performing to the highest order and setting benchmarks in quality, relations and standards and thereby augmenting all concerned.

Cashew nut
contains more
than 80
nutrients and
no cholesterol
content in it
